From Query 4 billing

```
[Intent Classifier] Query classified as: billing (requires_approval=True)
[Billing Agent] Response generated.

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
HUMAN-IN-THE-LOOP APPROVAL REQUIRED
Customer query: I need a refund for my annual subscription.
Proposed response: To process a refund, I'll need to review your account and determine if you're eligible based on our Refund Policy.

Since you have an annual subscription, we offer prorated refunds for unused months after the 14-day window. Can you please provide me with your order date or subscription start date so I can check how many months are left in your current billing cycle?
!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Supervisor decision – approve this response? (y/n): y
[Human Approval] Approved by supervisor.
[Supervisor Agent] Final response validated and saved to memory.
```

```

PROOF OF WORKING

Based on our conversation history, it appears that previous support issues were related to pricing and billing. Specifically:

1. You initially inquired about our software pricing plans.
2. Later, you requested a refund for your annual subscription.

5. Final Response Generation

QUERY 1 - SALES

```
FINAL RESPONSE TO CUSTOMER:
Here is the revised response:
```

Dear [Customer],

Thank you for considering our pricing options at ABC Technologies. We have three main plans designed to meet the needs of different businesses: Starter, Professional, and Enterprise.

QUERY 2 - ACCOUNT

```
-----
FINAL RESPONSE TO CUSTOMER:
```

Final response:

To reset your password, please click on the "Forgot Password" link on our login page and follow the prompts. You will be asked to enter your registered email address, and we'll send you a temporary password reset link via email that is valid for 30 minutes. Please check your inbox for this link and follow its instructions to create a new password.

QUERY 3 - TECHNICAL

FINAL RESPONSE TO CUSTOMER:

Here's the final response:

"I'm here to assist you with troubleshooting the issue. Based on our technical manual, let's try the following steps to resolve the problem:

1. Check the file size: Ensure your uploaded file is within the allowed limit for your plan (500MB per file on Starter/Professional plans, 2GB on Enterprise).
2. Verify the file format: Confirm that the file type you're uploading is supported by our application (CSV, XLSX, PDF, DOCX, PNG, JPG).

QUERY 4 - BILLING

FINAL RESPONSE TO CUSTOMER:

Here's a revised version of the response:

"Thank you for reaching out about processing a refund. To assist you, I'll need to review our Refund Policy and determine if you're eligible for a prorated refund based on your annual subscription.

To proceed, could you please provide me with your order date or subscription start date? This will help me accurately calculate the remaining months in your current billing cycle."

QUERY 5 - RECALL

FINAL RESPONSE TO CUSTOMER:

Here's the revised response:

Based on our conversation history, it appears that previous support issues were related to pricing and billing. Specifically:

1. You initially inquired about our software pricing plans.
2. Later, you requested a refund for your annual subscription.
